

Farm Stay

ISP Long Weekend Program

The Queensland Government welcomes international students ...

Queensland is delighted to offer international students the opportunity to be part of our new range of long weekend programs.

Education Queensland International (EQI) students can turn selected long weekends into exciting Aussie adventures filled with fun and discovery.

EQI Long Weekend Programs are a safe way for EQI students to travel and sightsee during their EQI program whilst making new friends.

Students can immerse themselves in farm life by feeding the farm animals, milking cows, enjoying Aussie bush cooking, whip-cracking and boomerang throwing. Students can enjoy a full day excursion at Dreamworld theme park.

All EQI Long Weekend Programs are fully guided and escorted by qualified Education Queensland staff to ensure the safety of travelling students. Students must be at least 14-years-old to participate in these programs.

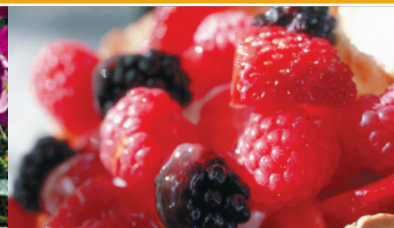

Safety, academic excellence, natural beauty and a healthy outdoor lifestyle make Queensland the best choice for an overseas long weekend experience.

Mystery Mountain Farm Stay

Mystery Mountain Farm Stay is located in the Gold Coast hinterland with views of the Gold Coast City horizon. Mystery Mountain Farm Stay offers superior accommodation including:
