## DISTINCTIVE PROGRAMS

- Integrated curriculum units complete with orienting activity, moderated work samples, public culminating activities.
- Student Council
- Gifted and Talented Program in place to support students with gifts and talents

## LANGUAGES TAUGHT

- Indonesian

## CURRICULUM FOCUS

- A wide range of learning experiences is provided to students across the eight key learning areas within the Education Queensland syllabus
- Learning is integrated across subject areas using an outcomes based approach. A thinking framework is developed across year levels and integrated into curriculum units
- Curriculum is designed to meet the individual needs of students and this is particularly evident in the development of Individual Education Plans for students with disabilities and the involvement of specialist support staff
- The curriculum is enriched through access to specialists in Physical Education, Music, Instrumental Music, Indonesian, Technology and a Teacher Librarian
- An on-going process of profiling manages assessment of student outcomes, parent interview, internal reporting and participation in systemic assessment and moderation
- Intervention includes a variety of support programs

## COMPETITION PARTICIPATION

- Writers' Competition
- Chess Competition
- Lego Robotics
- Interschool sports

## SPORT

- Gross Motor Skills
- Cross Country
- Athletics
- AFL
- Rugby League
- Netball
- Soccer
- Basketball
- Swimming
- Aerobics
- Golf
