## SCHOOL OVERVIEW

Whites Hill SC, located in spacious grounds just eight kilometres from Brisbane city, presents excellent opportunities for students to gain a truly international experience. Being part of only 870 students from Preparatory to Year 12, students quickly integrate into a close-knit and small community. With a strong history of international student participation, WHSC offers excellent opportunities for an Australian immersion experience within a rigorous academic environment. The College's strong ties to Griffith University and other tertiary institutions presents students with excellent opportunities for further study.

The College's curriculum is enhanced by a range of extra-curricular activities including excursions, music and sport. Whites Hill SC is also home to the High School Preparation Program (HSP). This means the College is the gateway for English for international students on the southside of Brisbane. Consequently students gain excellent support from the expertise of staff in this centre.
