

Tallebudgera Beach Outdoor Education School

The Queensland Government welcomes International Students ...

Queensland is delighted to offer international students the opportunity to be part of our new range of educational programs.

Study Tours, Education Queensland International (EQI) is the Queensland Government's dedicated team of professionals that specialise in placing study tour groups of international students into Queensland State Schools.

EQI is Australia's largest leading study tour provider, with over 11,000 participants sharing in educational adventures and high quality programs.

Safety, academic excellence, natural beauty and a healthy outdoor lifestyle makes Queensland the best choice for an overseas study tour experience.

We look forward to welcoming you to Queensland!

Tallebudgera Beach School

The Tallebudgera Beach Outdoor Education School day visits can be arranged for groups wishing to experience outdoor life in the Tallebudgera Beach School environment. Day programs focus strongly on safe use of our beaches and provide basic student accreditation in the Surf Awareness Certificate. The scale of operations makes Tallebudgera Beach School the largest surf education school in Australia.

This centre provides:

- A safe and secure environment,
- An active and full program,
- Strong accountability for student management,
- Strict monitoring and supervision.

Leadership and Team-Building Day Visits

The focus of this program is to enhance students' ability to communicate effectively in small groups, share ideas, develop plans and perform problem solving scenarios.

Surf Awareness Day Visit

In association with Surf Lifesaving Queensland, Tallebudgera Beach School is able to provide students with lifelong learning skills in relation to surf safety, surf survival and surf confidence.

Canoe Adventure Program

Students can experience a canoe adventure package with an induction, including sessions in safety and basic canoeing skills, followed by a paddle up the Tallebudgera Creek. In the afternoon students can pump for yabbies and fish from boats or the beach.

Please see individual sample itineraries for further information.
